### **Rent Your Own Island- The Ultimate Escape at Emerald Lake Lodge**

**Field, BC** – For those in search of something unique and spectacular, Canadian Rocky Mountain Resorts is pleased to announce the launch of ‘*Rent Your Own Island.*’ This innovative program allows wedding parties and corporate groups to enjoy Emerald Lake Lodge as their own private island retreat for a minimum of two days. Every meeting room, guestroom, and all amenities are yours, and yours alone. You may meet with our Executive Chef to plan your perfect meal; you may customize the island to cater to your every need. While staying at the lodge during the spring, summer and fall you may enjoy canoeing, hiking, fishing and various guided tours. In the winter there is the option to snow shoe around the lake, cross country ski on nearby trails and downhill ski at the Lake Louise Resort or Kicking Horse Resort.

Emerald Lake Lodge is surrounded by the breathtaking Canadian Rockies and located on its own island along Emerald Lake. Situated just outside Field, British Columbia, the lodge is built of hand-hewn timber and features massive stone fireplaces. Amenities at the lodge include a formal dining room, quiet reading and sitting rooms, banquet facilities and an old-fashioned games room. The lounge is enhanced by an oak bar salvaged from an 1890's Yukon saloon. Since the turn of the century Emerald Lake has proudly welcomed those in search of the extraordinary. That tradition continues today.

Emerald Lake Lodge's appeal internationally is its remote, intimate location. Surrounded by luxury, guests leave the world behind. This is the ideal location for a corporate retreat or to pledge undying love to another, for a lifetime. At Emerald Lake Lodge, it is easy to believe in fairy tales.

*Emerald Lake Lodge is located two hours and 20 minutes from Calgary International Airport and one hour and 20 minutes from Banff, Alberta.*
