Your Event at
DEER LODGE

Thank you for your interest in Deer Lodge. This charming former teahouse is the perfect backdrop for your rustic mountain event.

In 1921, tourism to the Canadian Rockies was booming. A log teahouse was opened by one of the early guiding families just behind Chateau Lake Louise. It was a few minutes stroll from the lake and quickly became a popular gathering spot for visitors.

Over the years, the teahouse was renovated and restored to become Deer Lodge, an ideal location for small corporate meetings and family functions. The charming former teahouse provides all the conveniences and facilities necessary for a memorable event. High speed wireless internet is available.

This package is complete with room descriptions, meeting facility information and menus. If you require additional information or have any questions, you can contact us directly. It would be our pleasure to assist you to plan your upcoming event at Deer Lodge.

DEER LODGE DIRECTIONS

Deer Lodge is located just a 5 minute walk from Lake Louise itself (2 hour drive from Calgary International Airport).

Take the only exit into Lake Louise (Lake Louise Drive). Go South towards the town (away from the ski hill). Follow the road 4km all the way to the top of the hill, heading toward the lake itself. Deer Lodge is the last lodge on the right before reaching Fairmont Chateau Lake Louise and beautiful Lake Louise.
