ROCKY MOUNTAIN CUISINE

It was in the kitchens of **Buffalo Mountain Lodge** in Banff, **Deer Lodge** in Lake Louise, and **Emerald Lake Lodge** in Yoho National Park that “**Rocky Mountain Cuisine**” was created. This dining style is the artful assemblage of Canadian ingredients such as game meats, sustainable seafood, prairie-grown grains and locally sourced vegetables. Each of our restaurants offer a unique experience, but are unified in the promise of a sublime dining experience complete with excellent service, and carefully chosen boutique wines.

Today we are proud to source game meat from our own ranch on 540 acres located in the rolling foothills of Calgary. **The Canadian Rocky Mountain Ranch** provides all of the CRM Properties and Restaurants with high quality Elk and Buffalo products, raised in a natural, humane and sustainable manner without added hormones or antibiotics.
